Riverside Phase 3 — Site Plan & Programme Brief

1. Site Overview

38-acre site within the Riverside master-planned community. Bounded north by Phase 2 residential, south by river park, east by future transport interchange, west by retained primary school site.

2. Programme Mix

Block	Use	Units / Area	Heights	Notes
Tower 1	Residential	420 units	28 floors	Premium river-facing
Tower 2	Residential	420 units	28 floors	Premium river-facing
Tower 3	Residential	380 units	24 floors	Park-facing
Block 4	Mid-rise residential	620 units	8 floors	Affordable + family
Block 5	Retail podium	220k sq ft	2-3 floors	F&B + grocery + cinema
Block 6	Office	80k sq ft	6 floors	Co-working + small-floorplate
Civic	Community + park	6 acres	-	Co-funded with city

3. Vehicular & Pedestrian Access

Two primary vehicle entrances from Riverside Boulevard. One service entrance from Phase 2 ring road. Pedestrian connection to future MRT station at south-east corner. Internal pedestrian spine from civic plaza through retail podium to tower lobbies.

4. Parking

1,640 bays total: 1,220 residential (1.0 per unit average), 240 retail, 180 office. EV-charging-ready 30% of all bays (10% installed at handover, 20% conduited).

5. Sustainability Framework

- Targeting LEED Gold for office; mid-rise blocks code +15%.
- PV-ready roofs.
- On-site grey-water reuse for landscape and toilet flushing in retail podium.
- Native species priority for landscape (tree palette consultation with city).

6. Critical Reviews Outstanding

- Final parking-provision clarification with city (target close 7 Apr 2026)
- Civic agreement signature (target close 30 Apr 2026)
- Independent ESG audit (start Q3 FY26)
